Technical Data Sheet

Release Date: Aug, 2026, No.: REZUX-DF-20260831-01E

Enfinol® DF88

Version: 2

Performance Overview

- Enfinol® DF88 is a defoamer and anti- popping agent composed of specially- modified acrylic polymers, specifically designed for topcoats for solvent- borne baking industrial coatings. It exhibits excellent dispersibility in polar systems or high- solids coatings while maintaining long- term stability. It prevents additive precipitation and delamination during coating- line circulation and storage, and widely applicable to solvent- borne baking finishes and two- component coating systems.

Product Features

- Excellent defoaming and anti-popping properties
- Improve the leveling property and distinctness of image
- Excellent long term stability
- Good recoatability

Physical Property

Product Property	
Appearance (25℃):	Colorless to light yellow liquid
Solid (%):	31.0
Density（20℃，g/cm^3）:	0.90
Solvent	Xylene\Naphtha=1:1

Application

- Industrial baking coatings
- Two-component paint
- High-solid industrial production-line coating

Use Method

- It should be added during let down stage. The recommended addition amount is 0.2% to 0.8%.
- The optimal addition amount should be determined through a series of experiments.

Packaging & Storage

- 20kg、180 kg/Barrel
- Shelf life---24 months

Service Restrictions

- This product has not been tested nor has it been specifically stated that it is suitable for medical or pharmaceutical use. It may not be used for human injection or consumption.

Limited Warranty Information - Please read carefully

- The content of this product data sheet is based on the products owned by my company, and is provided for reference only.
- Due to the numerous formulations, production, and application conditions, customers should pre-test the adaptability of my company's products before using them to determine their performance, efficiency, and safety.
- The suggestions we provide shall not be considered as a cause of any patent infringement. The sole responsibility of our company is to refund the money or exchange it for a product with same value.
